FOR 2013-2015 BUDGET - NOT READY FOR INTRODUCTION

1 AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau
EDUCATION

PRIMARY AND SECONDARY EDUCATION

Under the current part-time Open Enrollment Program, a high school pupil may apply to take one or two courses at a public school located outside the pupil's school district of residence under certain circumstances. The pupil's resident school board must pay to the nonresident school board an amount equal to the cost of providing the course to the pupil. The pupil's resident school board may reject the pupil's application under one of two circumstances: 1) the resident school board determines that the course conflicts with the pupil's individualized education program; or 2) the cost of paying for the pupil to attend the course would impose an undue financial burden on the resident school district.

This bill allows pupils in all grades to participate in the program. The bill also allows a pupil to attend, in addition to a public school in a nonresident school district, a UW institution, a technical college, a nonprofit institution of higher education, a tribal college, a charter school, or a nonprofit organization that is approved by DPI. The bill prohibits the educational institution that the pupil attends from charging to or receiving from a pupil or the pupil's resident school board any payment that is in addition to the one determined by DPI.

The bill also eliminates the ability of a resident school board to reject an application on the basis of undue financial burden. However, it allows the resident

school board to reject an application if the school board determines that the course the pupil wishes to take at an educational institution does not conform to or support the pupil's academic and career plan or does not satisfy a high school graduation requirement.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.
